Under the direction of Commander Leon Fay, a program commemorating the active history of the Post in its 10 years was presented. Those present also had the pleasure of hearing Philip Solon, past commander of Oakland Post No. 5, recall the occasion when he formally presented the charter a decade ago to the local organization.

Congratulations on the continued growth and prosperity of Albany Post were also voiced by State Department Adjutant James Fisk of Berkeley, a guest of honor.

Insurers Hold Law Discussion

Following a dinner at DeBiasi's Wednesday night, members of the Albany Insurance Agents' Association gathered at the office of President L. F. Macdonald, 904 San Pablo Avenue, to discuss legislation now awaiting approval by Governor Frank F. Merriam.

Douglas H. Evey of Oakland, past president of the East Bay Insurance Exchange and Secretary Ralph Winkler explained the important features of the impending legislation. Sixteen bills pertaining to the insurance business will become law when signed by the governor.

Among the guests of honor present were Mayor O. C. Yenne, Judge Louis J. Hardie and Walter E. Teasdale. Members present were John Sloan, secretary; J. C. Cappelmann, Carl H. Nieper, G. D. Gaeta and Ellert H. Wiglund.

Large Crowd Sees Murphy's Program

The highly entertaining Spring Frolic presented Wednesday night by the Murphy Chevrolet Company was witnessed by a crowd of more than 300 persons who filled the service department to capacity.

With Walter Guild, well known radio star, as master of ceremonies, the crowd was treated to a program of vaudeville skits and talking films. Among the popular acts presented were Holmes and James, dancers; and Connie Mitchell, Hollywood imitator.

Auxiliary Will Elect Officers

The attention of all members of American Legion Auxiliary to Albany Post No. 202 is called to the meeting scheduled for Tuesday, June 28. Officers for the coming year will be nominated and elected at this time.

Delegates to the State convention at Stockton will also be named next Tuesday night, according to Mrs. Josephine Foley, president of the group.

Sergeant and Mrs. Charles Hardie are now in New York, according to word received by friends here.

High Dads Start Dances Tonight At Marin School

The first of a series of summer dances, given by the Dads Club of Albany High School, for the young people of the City, will be held this evening at Marin School, it is announced.

The affair is to begin at 8 p. m., will close at 11:30, the committee in charge has reported. Admission for boys will be 20 cents, for girls, 15 cents. Parents are also invited.

The Dads Club will hold the balance of the series at either Marin or Cornell Schools, providing entertainment, and a good time for all who attend.

Music will be furnished this evening by the Lucky Kay orchestra, it is reported.

New Minister Here to Lead M. E. Church

"A Look at Ourselves" will be the initiatory sermon of Rev. George G. Saywell, new pastor of the Albany Community M. E. Church at Stannage and Marin Avenues, as he conducts the service Sunday morning at 11 o'clock.

Rev. Saywell arrived in Albany this week to fill the vacancy caused by the transfer of Rev. Herbert Brooke to Oroville. With Mrs. Saywell, he is occupying the residence of the former pastor at 1235 Dartmouth Street.

Coming here from Eureka, the new minister is no stranger to the East Bay. Before his five-year service in the northern city, he had filled pulpits in Oakland, Alameda and Hayward. He is a graduate of Dickenson College in Carlisle, Penn.

"We are happy to return to the Bay Region," said Rev. Saywell. "My wife and I are anxious to meet and know the people of Albany and we want you to know us."

The couple have two married sons, Lawrence Saywell of Berkeley and Leslie F. Saywell of Hayward.

Monterey C.M.T. Camp to Offer Fine Training

In a few days young men from all parts of California will begin their journey to C. M. T. Camps. Every conceivable mode of transportation will be mobilized to bring these young men to their training camps.

Colonel Troup Miller, the Commander of California's largest camp at the Presidio of Monterey, said recently that another wonderful opportunity is going to be given to the citizens of California and the seven western counties of Nevada to send their sons to the splendid C. M. T. Camp at the Presidio of Monterey in July of this year.

The government is again establishing under military authorities there a training camp for some 1200 young men between the ages of 17 and 20 who will be given a month's free instruction in basic military principles, rifle marksmanship and good citizenship.

The purpose of the C. M. T. Camps is to teach boys to become better American citizens; to impress them with some of their responsibilities as citizens, and as a result of their camp training, to give them an adequate idea of the primary duties of privates, noncommissioned officers and of junior officers of the army. Its purpose is further—it is to instill in them a willing responsiveness to duly constituted authority and an ability to take their full part in teamwork, subordinating their individual inclinations and wishes to the good of the entire group. These camps are designed to reach boys who have not had the privilege of going to college and benefiting by the military training given in the R. O. T. C.

The course also includes instruction in rifle marksmanship, which is most valuable to the youth because it brings him to an appreciation of the power and limitations of the military rifle and teaches him how to handle firearms with safety to himself and to others.

The program also includes a splendid course in personal hygiene and sanitation presented by competent medical officers who get the subjects over to the youth in such a way that he can understand. Great care is taken of the health of the trainees, a medical dispensary being established in the camp, and a medical officer being in attendance at all times. The more serious cases are sent immediately to the Post Hospital. Each boy is given a careful physical examination when he presents himself for duty at the camp.

State to Aid Sewer Project

Improvement of Portland Avenue from Curtis Street to San Gabriel Avenue by construction of a storm sewer, was assured by the City Council last Monday night as approval was given to the budget submitted by City Engineer H. I. Dygert for expenditure of a portion of Albany's share of the one-quarter cent gasoline tax allocation from the State.

The budget calls for the expenditure of \$13,500 to cover the sewer installation together with necessary manholes, catchbasins, curb inlets and overflow structures. Approximately 2065 feet of 18-inch, 24-inch and 36-inch pipe.

The amount of \$4000 is available from the State fund, Dygert said. This city will supply a similar sum and Berkeley will pay \$3700 toward the project.

Public Urged To Use Play Facilities

During this week which has been proclaimed throughout the State as "Recreation Week," Thomas L. Farnsworth, local recreation head, is endeavoring to acquaint the citizens of Albany with the complete facilities and service available to them.

The department maintains complete playground supervision, special clubs, archery, badminton, women's gymnasium work, drama, and handcraft of many kinds.

Special camps are soon to be organized for boys and girls at Curry Creek and Tilden Parks. In addition, kits including all necessary athletic equipment are available to those who wish to take them on hikes and picnics.

Community singing, a pre-school play center at Memorial Park and many other activities are also conducted through the WPA-sponsored project, he said. Speaking for his department, he announced "We would like you, as individuals, and as organizations, to use your Recreation Department and the facilities available that we may have a better balanced community life."

Safety Team Meets

Gathering for luncheon and to hear reports on their progress, members of Walter Teasdale's team in the membership drive of the Albany Traffic Safety Council, met Wednesday noon at Scheik's.

This team is competing with the group captained by A. F. Lemes.

Both are under the direction of Mrs. Beatrice Raymond, membership chairman of the organization.

SPEAKERS DENY ASSERTED CAUSE OF BAIT SHORTAGE BEFORE LOCAL SPORTSMEN

That the long and determined fight of Bert Jordan, local bait dealer, and sportsman, to remedy the "sardine" situation, has finally brought action, is the firm belief of those present at last Friday night's meeting of the San Pablo Avenue Sportsmen's Club.

Jordan has been actively engaged for some time in a campaign to remedy what he considers a menace to sardine bait supply of Bay Region fishermen, the reduction plants operating at sea and on shore. These firms, according to Jordan, are rapidly depleting the available fish.

Such is not the case, in the opinion of Captain R. Peterson, representing the Pacific Coast Fishermen's Association. He ascribed the shortage to a change in currents which has caused the fish to move to a different habitat.

A direct denial was also made by Louis Hicks, executive secretary of the Pacific Coast Fisheries Institute, one of the operators of reduction plants.

Captain Peterson accepted the challenge again made by Jordan, to a public debate on the subject. A site for the verbal tilt is to be announced later.

Members and guests also heard Judge Louis J. Hardie of the local police court as he told of his desire to stop violations of the fish and game laws.

President Harvey Skee was in charge of the interesting session.

Fifty Young People Enjoy Summer Camp

Fifty young people are now in the Albany Y. M. C. A. summer camp in its first week, according to word from C. E. Morris, camp director. The facility opened last Monday.

Located near Wrights, in the Santa Cruz Mountains, the camp offers outdoor hikes, swimming in an enclosed pool, campfire programs and many other activities in what is said to be the finest site yet chosen for the annual opening period.

On opening day, said Morris, an election was held to name officers to conduct the affairs of the camp. Jane Mann of Watsonville was chosen mayor, while Margaret Dougherty of Oakland was elected to the post of health officer. For police chief the campers named Bob Hanson of Albany, his schoolmate, Howard Bosman taking the office of fire chief.

Registrations will be accepted at any time at the local office in the Community Center Building, 921 Kains Avenue. Parents are invited to visit camp over Saturday and Sunday.

Badminton Title Matches Start

The first matches to decide the championship of the newly organized Albany Badminton Club, under the sponsorship of the Recreation Department and its WPA-sponsored project, were played last Wednesday night on the Y. M. C. A. court.

Ernest Izumi, University of California athlete, defeated Max Stafford 15-12, 13-15, 17-15. Izumi-Ralph dropped their doubles match to Stafford-Connors and Lochhead defeated Burnham-Burnham by the score of 15-2.

Shore Highway To Open July 1

July 1 has been named as the opening date of the East Shore Highway from Gilman Street, Berkeley, to San Pablo Avenue in Richmond, according to information received yesterday.

Formerly scheduled to open to traffic today, the opening has been postponed until next week because of unexpected delay in the completion of the project.

An interested visitor at the N. D. G. W. convention in San Jose this week was Mrs. Jack O'Leary. She is expected to return to Albany on Sunday.

Mrs. Walter Lynch and daughter returned Monday night from a week's vacation in Watsonville.

Jinx Sends Team To Oakland Park For Two Games

"It must be a jinx," explained Jake Nora, who with Bert Townsend manages the Albany Merchants, as he announced Monday night that the team will play at Bushrod Park in Oakland next Sunday.

Reason for his statement is that this is the second time when the locals have left it to the toss of a coin to determine whether they played here or at an outside field, and both times they have lost!

Loyal supporters from this district will find it well worthwhile to make the short trip to Oakland, though, he declared. A doubleheader is to be played. The Merchants will meet the Grimmer's Sporting Goods team at 12:30, the Oakland Casket Company at 2:45 p. m.

Official Warns Owners of Dogs To Get Licenses

The annual license fee of \$1.50 on all dogs in the City will be due and payable next Thursday, July 1, pointed out Poundmaster A. F. Peters this week. Licenses may be secured at the City Hall.

All dogs must be licensed, he declared. The City ordinance applies to animals confined in yards and homes as well as to those allowed to appear on the street in the custody of the owner.

Section 10 of the ordinance reads, in part: "It shall be the duty of the Poundmaster to take up and impound any dog found within the City of Albany not registered, or registered and not wearing the metallic registration plate issued by the City of Albany for said dog."

A penalty of \$1 is charged for the release of an impounded dog, the law declares. This sum is in addition to the license fee.

Oaks Treat 17 Albany Misses

Seventeen fair local baseball fans witnessed the Oakland-Portland game at the Emeryville Park last Saturday through the courtesy of the Recreation Department and the Murphy Chevrolet Company to be guests of the Oaks.

The girls met at Cornell School under the direction of members of the department and were driven to the park in new cars supplied by the motor firm.

Those making the trip were Niada Radley, Jewel McCollum, Jean Tyle, Patsy Tyler, Florence Meads, Myrtle Bisset, Lorette Bristol, Myrtle Mosher, Anita Connors, Eva Vila, Pearl Feliciano, Betty Kline, Norma Stone, Doris Blow, Alice Dolan, Rose Miller and Mary Brown.

Mrs. A. Gaston Dies Thursday

Funeral services will be held here Sunday afternoon at 2 o'clock for Mrs. Arvilla Gaston, who died yesterday morning, it was announced by the James J. Ellis Company, in charge of the rites.

Mrs. Gaston was 40 years of age at the time of her death. She is survived by a husband, William, living at 510 Evelyn Avenue; two sisters, Mrs. Atmatia Johnson of San Jose and Mrs. May Kilroy of Juneau, Alaska; and a brother, Walter W. Soule of Oakland.

A native of South Bend, Wash., Mrs. Gaston had been a resident of Albany for a number of years. Interment will be in Santa Cruz.

Judge and Mrs. Fred Hall, of Sun Valley, Nev., are spending two days in this city visiting their many friends. The couple lived here about 15 years ago before moving to their present home.

Chief Warns of Dry Grass Peril

A word of caution was issued this week by Fire Chief Carl Ahlgren to the residents and property owners of the City, as he reminded them of the increasing hazard being presented by rapidly drying grass.

The warm weather, he pointed out, is making a potential blaze out of each yard where grass and weeds have not been cleared. To those who wish to burn this debris, he explained that a permit from his department is necessary. There is no charge for the permit.

Under authority granted by the recently passed "weed" ordinance, the department will soon handle the burning of grass from all vacant lots in the City, it was learned. Notices were posted some time ago, telling the owners to clear their lots. The cost of this work is levied against the property.

Rotarians in Novel Session Last Monday

Definitely changing the program on the non-appearance of his scheduled speaker, J. R. Moore, program chairman at last Monday's Rotary Club session, called on local members to entertain themselves and tell of their business establishments.

At Mortara, in his "bit," praised the quality of the products dispensed at his two meat markets. He was followed by Joe Dagna and a short talk on the fine merchandise sold at his market on Solano Avenue.

Next to appear was Oliver Nelson, local hardware man, who informed the Rotarians that the Grunow refrigerators he purveyed "are the finest on the market."

Lisle Green, photographer and photo finisher, told the audience of the "unfair competition" and the "worthlessness" of various Japanese-made cameras and films he has encountered in his business. These outfits, he disclosed, use scrap film from movie studios in this country and elsewhere with poor results.

J. Kelly Bryan, high school athletic instructor, and Allen Keim, new superintendent of schools, told of the increasing enrollment in the City's schools. This afforded Alton Gould, builder, a neat opportunity to jocularly explain the building boom here was due to the growing families of Albany.

His receipt for improving the appearance of his patrons, was then told by Frank Butera, of Frank's Barber Shop.

"Just working with Dad and doing a good job," was the secret of his success, declared J. W. Woolworth, painter and decorator of this city. Asked about his new home in the Berkeley hills, L. F. MacDonald, realtor, averred that the sun was shining when he left home!

The enjoyable meeting was presided over by Don Bruce, president.

Directors Down Laurels Sunday

After three straight defeats at the hands of the Laurel Merchants, the Recreation Department softball nine turned the tables and emerged on the long end of a 6-3 score in last Sunday's contest at University Park.

The Albany WPA directors and officials led throughout the game, wavering only in the third when the Merchants got three hits to score their only runs. Fine pitching by Cleo Ralph and flawless support by his team mates featured the encounter.

The Laurels fought all the way, but were outclassed. Buddy Burns, Oakland hurler, was on the mound for the losers.

Drill Team Wins Honors at Meet

Second honors in competition were received this week by the joint drill team from Albany Parlor and Argonaut Parlor of Berkeley, local Native Daughters returning from the State convention in San Jose have disclosed.

Among the Albany members on the prize winning team are Miss Grace Higgins, Mrs. Hazelett Taylor, Mrs. Jane Read and Miss Antoinette Stallone.

Council Turns Down Contract With P.G.&E.

Permission Is Granted For Use of Hall on July 13th

Claiming that a contract with the Pacific Gas and Electric Company was unnecessary to secure the present rates on electricity for city use, Councilman George Batchelder moved that the pact be disregarded at the meeting of the City Council last Monday night.

Batchelder explained that the Railroad Commission guarantees rates to municipalities. His motion, seconded by Councilman Frank Hays, was unanimously passed.

Ten local merchants were granted permits to sell fireworks for Fourth of July. Their applications were endorsed by the chiefs of Police and Fire departments.

Permits were granted as follows: Frank Hartley, Tony Lombardo, A. B. Jordan, Don Accorero, Frank Knapp, Frank Mills, Fred Young, Joseph Gusy, and R. C. Nelson.

Car allowance of \$5 a month was voted Miss Norma Shadall, public health nurse. She is also to be allowed gasoline from the City supply to the amount of \$4 per month.

PERMIT USE

Permission to use the council chambers on the nights of Tuesday, July 13, was given the Albany Chamber of Commerce at the request of president, Mrs. Beatrice Raymond.

Use of Cornell School auditorium for a meeting place was voted last week by the School Board, but the offer was turned down by Mrs. Raymond. She stated that those quarters would be too large for the purpose.

Opposition to the request came from Councilman Batchelder and Hays, but both later voted favorably. Both officials announced that they were opposed to the regular use of the chamber by a group other than those with City business.

The council also approved purchase by the Street Department of a used car from the Murphy Chevrolet Company.

Bus Application Hearings Reopen

Hearings in the Santa Fe bus applications reopen here this morning before the State Railroad Commission; Commissioner Wallace L. Ware and Examiner Arthur C. Jenkins, presiding.

It is indicated that the Santa Fe, applicant, and the Southern Pacific, Pacific Greyhound, Pacific Electric and Motor Transit, protestants, will complete submission of evidence on or before June 30.

It is believed that the matter will be finally submitted late in August, when oral arguments will be heard by the Commission, setting an banc. Recess will be taken during the month of July to permit completion of digests and briefs.

Rev. Alexander Leaves on Trip

In the absence of Rev. W. Floyd Alexander of the Albany Baptist Church, Dr. Sanford Fleming will preach at both services Sunday, it has been announced.

Rev. Alexander is now in Denver, Colo., on a vacation trip. On his return he and Mrs. Alexander will bid farewell to their many friends here and move to Los Angeles where a new pastorate awaits.

To Open Candy Factory July 1

That Albany will soon have a modern candy factory, was announced this week by L. Brookman, from East Oakland.

Brookman has leased the store at 850A San Pablo Avenue and intends to have his equipment and fixtures installed by July 1, he said.

Donald and Howard Marks are recuperating at their home, 711 Stannage Avenue, from minor operations which they recently underwent. They are the sons of Mrs. Alice Marks, publicity chairman for the Scouting Mothers Club of Troop No. 46.

Sponsors of the institute include practically all the college presidents in northern California, together with Mrs. W. D. James, State president of the Federated Women's Clubs; Dr. Walter Dexter, State superintendent of education; Bishop James Baker of the Methodist Church; Rabbi Irving F. Reichert of Temple Emanuel in San Francisco; Albert A. Rosenshine, president of the Commonwealth Club, and many other prominent business men.

When it comes to applying these holds, Szabo is a crackjack. Sandor has proven a favorite with the fans here.

Many believe, he'll soon reach the top of the crest. Dusette recently put up a fine battle with "Wild Bill" Beth of Canada. It was a humdinger from the word go. Sometimes the Frenchman forgets and starts to slug.

Albany Nine
Takes Tight
Game Sunday

Coming from behind in the last two innings, Albany Merchants "sold out" their opponents from Newark last Sunday afternoon at University Park by the score of 4-3.

The game was another fine exhibition of hurling by Ed Curcio, 17-year-old pitching sensation, as he struck out eight Newarkers. The tilt developed into a pitching duel between Curcio and the pitchers of the losers until the eighth canto with Newark leading 1-0. Two hits, a sacrifice, an error and a balk scored three runs for the locals.

The ninth saw Newark Merchants scoring two, to tie up the score. Caruso walked and Borba singled, giving the former a chance to steal third. A fly by Guerner to right brought Caruso home with the winning run.

Borba and Curcio led the Albany men in hitting, each making two.

A large crowd of local fans were on hand to cheer the victory and enjoy the illuminating play-by-play comment of Bill Green over the loudspeaker system.

LELAND BERGESSEN POST

No. 2658, Veterans of Foreign Wars of the United States, meets on the first and third Tuesday of each month at the Albany Veterans Memorial Building.

The Rounder

Hello, again:

First off, most congratulate the Murphy Chevrolet Co. for the extremely successful Spring Frolic held Wednesday night at their place. Fine show, big crowd and, all in all, a really worthwhile evening.

Answering a paragraphical thrust. Then there are those who fairly dote on auction sales!

Ladies of Albany Hive of the Maccabees are urging everyone to attend their big food sale at Don's Market tomorrow (Saturday).

It was positively an all-member team of the Marin Dads that won the championship, asserts Bill Green, the Mike-man. More power, then, to the champs of the Berkeley Dads Club league.

Saw William Walker of Marin Avenue, leaving early yesterday a. m. on a fishing trip with a party of friends. Wonder how they came out.

Hearing Mrs. E. A. Lamatch of Humboldt Hospital tell of her recent trip to Panama and Mexico makes me want to immediately sail for those two countries. Mr. and Mrs. Lamatch describe their recent trip as "very interesting," but also tell how glad they were to come home again.

Speaking of good fortune, just ask Ed Ryken, the haberdasher, how it feels to suddenly acquire \$1500 because of a smile from the goddess of chance.

Never again will Mrs. Norveta Ault tell anyone to send her a souvenir from his vacation trip. Recently, she jokingly told a friend to send her a horse from the scene of his vacation. And the party did, although it was only a fair-sized wooden replica of a steed. "Just think if it had been a real one," she said.

Apology Dept. — Because they were the women responsible for the recent surprise party honoring Mrs. Beatrice Raymond and no mention was made of that fact, The Rounder bows low, doffs his hat and begs the pardon of Mrs. Grace Higgins and Miss Ora Vandruft.

The High School Dads are thanking Ted Williams for publicizing their summer dances via his public address truck.

Mr. and Mrs. Donald Thorogood and son are now receiving their mail at Camp No. 11, Yosemite, according to Mrs. H. Holland, their daughter.

And Dr. and Mrs. Jack Stein are now motoring through Italy, a last-minute flash from Miss Margaret Stein, A. H. S. secretary, reveals. Miss Stein, sister of the physician and School Board head, has just received a letter from the touring couple.

The Rounder.

Marin Dads Nab
Title by Win

If the baseball team of the Marin Dads Club seems to be wearing a pleased smile, it's pardonable after last Sunday's performance when the Albany group took the deciding game of the three-game series for the championship of the Berkeley Dads Club league.

Victim was Jefferson Dads nine by the score of 12 to 0.

The important contest, held at San Pablo Park in Berkeley, was witnessed by a large representation from the local club.

Johnny Coulson pitched a neat game for Marin and was given full support by his team mates during the slaughter. Credit for getting a hit each time at bat was given to Manager Charley Ham. Peacock and Cola also earned three hits apiece.

The championship cup or trophy will be presented to the team at an annual banquet scheduled for this fall. Announcements on the Recreation Department's public address system, furnished for the game, were capably handled by Bill Green.

Albany Post Began 10 Years Ago With 80 Charter Members

It will be 10 years ago next Sunday, on June 27, 1927, that the efforts of local veterans to band together came to a successful conclusion and Albany Post No. 292, American Legion, came into existence.

For several years previously the residents of Albany who had answered the call of Uncle Sam had been considering the formation of a Post of the organization, but it was not until that time that 80 determined men joined together and became the charter members of this thriving group.

Albany Post received its charter at the hands of Philip O. Solor, then State commander of the American Legion.

These veterans who were the original members of what was destined to become an influential factor in the future civic life and well-being of the community, were the following:

Harry E. Kane, John Evans, J. R. Moore, W. C. MacPherson, Christian Hawkins, Dr. M. J. Walter, R. W. Griffin, Clark Ryder, Clyde H. Starr, Frank Schutter, Peter J. Schiller, Dr. L. Walter, Henry P. Legion Asks Aid For All Veterans

The work of the American Legion since its inception has not been confined exclusively to the needs of World War veterans, although the welfare of the sick and disabled veterans and their widows and orphans of veterans, has always been the primary concern of the organization.

One of the first objectives of the Legion was the hospitalization and care of veterans of all wars. The program is nearing a successful completion, with several bills now pending in Congress toward this end.

Veterans Bring Cheer to Sick

Albany members of the American Legion have always taken an active part in the welfare of patients of the Veterans Hospital at Livermore.

The local Post furnishes entertainment for the patients at various times throughout the year, assists the welfare fund of the institution and helps to make the Christmas season a cheerful one for those confined.

Capable Men in Charge of Unit

Capably handling the destiny of Albany unit of the American Legion are members chosen for their ability and past performance in the organization.

Now serving are: Leon Fay commander; Ammon A. Cook, first vice commander; E. M. Hodgkins, junior past commander; George Foley, adjutant; A. H. Harrison, finance officer; James Sartain, chaplain; Edward Knox, sergeant-at-arms; Ralph Young, marshal; J. R. Moore, Frank Graeber, Roy Harford and Sidney Williams, executive committee.

Time Brings Fine Growth to Post

An explanation and reason for the high repute in which Albany Post is held by the community is instantly discerned when the membership of the group is studied.

The roster has grown in 10 years to approach the 200 mark and numbers not only City officials and outstanding business and professional men of Albany, but has also included many of the community's most active residents and home-owners.

Post Rewards 2 Boys' Efforts

Ever interested in the schools and students of the City, the local Legion Post has made awards to outstanding scholars of graduating classes for the past five years at Albany High School.

To Bruce Coggins of last term's junior high school class went the citizenship cup, while the American Legion medal for high scholarship was won by James Sategna, member of the senior high school graduating class.

Marksmanship Award

For the past eight years Albany Post has made an award of a gold medal to the member of the R. O. T. C. unit at the University of California exhibiting the best marksmanship. The medal was presented this year by President Robert G. Sproul of the college.

Albany Memorial to War Dead

This recent view of the Veteran's Memorial Building shows the impressive entrance to Albany's tribute to those who gave their lives in the great World War.

The structure was officially dedicated in August, 1931 under the auspices of Albany Post of the American Legion. Principal address of the occasion was delivered by the now lieutenant governor, George Hatfield.

Post's Work To Get Local Building Told

An outstanding achievement of Albany Post of the Legion was the successful campaign which resulted in the beautiful Veterans Memorial Building, situated in Memorial Park at Portland and Ramona Avenues.

A long and at times apparently hopeless drive was pushed by the early members of the Post to secure a fitting memorial in the City to gleam forth as a shining tribute to those comrades who gave their all in the World War.

The first application for such a building was made in 1927, but the total result was the information that a memorial building could only be constructed on property deeded to the county debt free. This was the status of the project for three years until word came from the board of supervisors that the next building to be allowed would come to Albany.

DUBIOUS OUTLOOK

Neither the City nor the veterans had a site to offer and a bond issue to purchase suitable property was rejected by the voters. The outlook at this time was dubious.

Late in 1930 Albany received word that if a site here not available by January 1, 1931, the project here would be deferred. This spurred those tireless workers to apply to the City Council and the Park Board for permission to erect a building in Memorial Park.

Consent from the two bodies was forthcoming and work started. In June of 1931 the cornerstone was laid at ap-

propriate ceremonies. Here in a copper box were sealed the roster of Albany Post, the names of those from this city who gave their lives in the World War, the list of City and county officials who aided in securing the building, copies of local and daily newspapers and a special scroll honoring war mothers.

POST DEDICATES

Formal dedication ceremonies were held in August of that year, under the auspices of the Post. The official address was given by George Hatfield, now lieutenant governor of the state.

The first official meeting was held by the Albany Rotary Club, with members of Albany Post and officers of the State Department, then in session in Oakland, as guests. A grand ball for the people of the community was given to mark the completion and opening of the magnificent edifice which has become a landmark that the citizens of Albany look upon with pride.

The Park Board immediately proceeded to landscape the adjacent grounds, making a truly beautiful setting for a beautiful building.

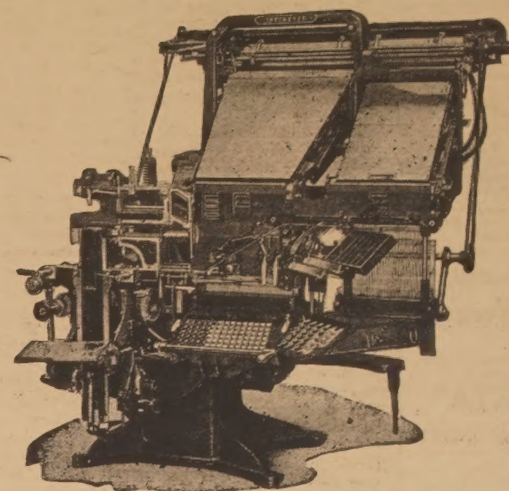

Since that time its facilities have been available to Leland Bergesen Post, Veterans of Foreign Wars, the Legion Auxiliary and other groups and organizations, for their meetings, dances and countless other activities.

Long Church Career of Dr. H. R. Calkins Is Revealed

In Dr. Harvey Reeves Calkins, now living here at 915 Taylor Street, this city has gained a citizen who possesses a rare background of missionary service in India and the Orient, and years of service in this country.

Dr. Calkins, after successful pastorates in Denver and Chicago, began his missionary work in India in 1900. He was pastor in Bombay and district superintendent in Cawnpore during 10 full years of service. While pastor in Bombay he wrote "The Victory of Mary Christopher," a romance of Christian Stewardship that leaped into immediate popularity and is still being sold all over the world.

On his return to America in 1920, on regular furlough, Dr. Calkins was delegated by the Board of Foreign Missions of the Methodist Episcopal Church to inaugurate the Department of Stewardship in the church. For 10 years he was occupied with this task. His success has brought him renown among all the denominations of American churches as "the father of the modern stewardship movement."

LECTURES IN 1920

Summer of 1920 saw Dr. Calkins returning to the Orient as Northwestern University lecturer at the union universities of China. Traveling until late in 1921 throughout Eastern Asia, he lectured, preached, and taught in the churches and interdenominational conferences of 10 of the provinces of the Chinese Republic and in Korea, as well as in the universities and colleges.

In 1922, he again went to India, to become superintendent of the important Lucknow district. In addition to administrative work in his own conference, he was called to lecture and preach by various Christian bodies throughout India and Ceylon. Finishing his term in 1927, he returned to the United States in the latter part of the year.

PROMOTIONAL WORK

Since 1928, Dr. Calkins has been engaged, in cooperation with various denominations of churches, promoting stewardship, a work he describes as "studying the personal background and social implications of poverty, wages and wealth."

From "Who's Who" it is learned that Dr. Calkins was born in Valparaiso, Ind., on April 11, 1866. He received his A. B. at Northwestern University in 1888, his A. M. in 1897. His B. D. was received from Garrett Biblical Institute in 1890.

Dr. and Mrs. Calkins and their daughter, Helen, moved to Berkeley in February, 1935. Albany became their home just a year ago.

Special Demonstration of the Biggest Values in 1937 Refrigerators

FACT 1
The new Kelvinator is Plus-Powered. It has as much as double the cooling capacity of other refrigerators of equal size.

FACT 2
The new Kelvinator runs only half as many minutes per day—during the rest of the time it maintains low temperatures using no current at all.

● When you see the new Kelvinator, you won't wonder why so many families are buying it now to replace their old electrical refrigerators.

First thing they appreciate—because they've had experience with mechanical refrigeration—is the importance of the two facts displayed above. They know this means better refrigeration in every way... quicker cooling... faster freezing... longer life... and real money savings, day after day.

And there's no reason why they should deny themselves the greater satisfaction Kelvinator will give them, the conveniences and economy it offers. Or why you should deny yourself these advantages, whether you now own an electrical refrigerator or not.

Just think how easy it is to buy one of these new, Plus-Powered Kelvinators. The weekly payments are a mere trifle. You have years to pay. Yet Kelvinator can start saving money for you right away. We're holding a special demonstration of the 1937 Kelvinator, in all sizes—the year's biggest values in refrigeration. It's on today. Come in and see it!
